be inspired

# be inspired in 2011

Now is the time to make the most of your garden. Our new product guide features a host of new as well as classic products designed to inspire ideas and solutions for gardens of all shapes, sizes and budgets. Take inspiration from our unrivalled selection of garden timber products, from arbours, fencing, sheds and garden buildings to timber greenhouses, raised beds and store houses.

Forest's entire product range is certified by the Forest Stewardship Council. Every product carries the FSC logo, ensuring that our timber comes from properly managed forests and controlled sources.

'Be Inspired' is our key theme for this year, transforming four lacklustre areas into inspiring spaces that can be recreated in any garden.

## caring for the environment

Since 2010, Forest's entire product range has been certified by the Forest Stewardship Council. All of our products feature the FSC logo, assuring your customers that we comply with the highest social and environmental standards on the market. At Forest, we believe that a greener world is a better world, which is why we are now working with the Woodland Trust to support the preservation of native woodland across the UK.

supporting the  
Woodland Trust

The Woodland Trust was established in 1972 and is the UK's leading woodland conservation charity. It works to protect existing native woods for the future, to create further new native woods and to make woodland more accessible to all. We support the Woodland Trust by helping to fund its work in pursuit of these aims.

## be inspired to grow your own

More and more people are getting into 'grow your own' – from a few salad crops to full veg beds – it's easy and fun to do, and the results can be delicious. Our new range of products is designed to help you use your outdoor space more productively – greenhouses, cold frames, raised beds, herb planters and potting benches – so you can grow your own whatever your garden size.

## be inspired by our tidy garden range

The key to a tidy garden is storage space, somewhere to keep all those garden tools, toys, garden furniture, logs and bikes safely out of site. We have a number of smart new solutions to help you clear and organise your garden, all featured on page 31.

We're all keen to 'do our bit' for the environment, but those recycling boxes and wheelie bins can be unsightly. See our great range of innovative space saving solutions and compost bins for inspiration.

## be inspired by family time

Whatever the weather, kids love to be outdoors and our family garden range has some great playdens to inspire active play. See page 29 for inspiration.

### symbol definitions

■ Pressure treated with preservative and guaranteed against rot for 15 years. This product will never need to be treated against rot.

▲ Dip treated with preservative and guaranteed against rot for 10 years.

● Free home delivery included. Restrictions apply.

By buying products with the FSC label you are supporting the growth of responsible forest management worldwide.

All Forest products come flat packed unless otherwise specified

Prices are effective from 4th Jan 2011.

Prices may be subject to change.

Prices shown are recommended retail prices inclusive of the prevailing 2011 VAT rate.

Sizes quoted are approximate.

All measurements shown are height x width x depth.

The manufacturer reserves the right to alter specifications.

\*Free home delivery is excluded in the following postcodes: BT, GY, HS, IM, IV, JE, KA, KW, PA, PH, PO, TR, ZE.

### 15 year guarantee

Most of our products come with a 15 year guarantee and never need treating, thanks to the pressure treatment process. So unless you want to change the colour, you won't have to treat, preserve or paint for the lifetime of your product. Look out for the 'never needs treating' icon throughout this guide.

### Home delivery

All our summerhouses are available with free home delivery. Look out for the symbols on the following pages. Many other Forest products can be delivered to your home; please check for details with your local Forest stockist.

## ...to make a relaxing corner

AFTER

The simple addition of some stylish fencing and a cosy arbour to the corner of this garden ensures that no space is wasted. As well as providing a relaxing area, many of our arbours have a trellis back and sides to support and encourage the growth of climbers.

### products used

- sienna arbour (page 21)
- europa vienna screen 1.2m (page 10)

before

before

With our great range of grow your own products, keen gardeners and novices alike can enjoy the satisfaction of cooking with herbs, vegetables and fruit that have been freshly picked from their own gardens. From raised beds, cold frames & kitchen garden troughs, there is a Forest product to inspire everyone to get digging.

### products used

- kitchen garden trough (page 18)
- caledonian raised beds (page 19)
- beehive compost bin (page 20)
- pressure treated 6x4 overlap shed (page 33)
- pressure treated feather edge panel (page 7)

### products used

- sienna arbour (page 21)
- genoa arch (page 23)
- solway fence panels (page 7)
- mini sleepers (page 43)

Our ultimate aim at Forest is to inspire you to create your own beautiful, personal garden space, making the most of what you have available. Here the bottom of the garden was a forgotten area with little interest. Now you can walk through a beautiful arch to your own secret haven – where you can relax with a good book or glass of wine, away from the hustle and bustle of everyday life.

## ...to make a tidy garden

A tidy garden is a relaxing garden, however with limited room to store everyday items such as garden tools, toys, garden furniture and recycling boxes, outdoor space can get cluttered. See how this garden has been given a practical use, with innovative ideas that combine storage with style, to organise and tidy.

# fencing...

...be inspired to make the most of your garden

## trade lap panel

A sturdy, well built example of traditional overlap fencing.

<b>CFT36</b>	91 x 183cm	<b>£23.99</b>
<b>CFT46</b>	122 x 183cm	<b>£24.99</b>
<b>CFT56</b>	152 x 183cm	<b>£25.99</b>
<b>CFT66</b>	183 x 183cm	<b>£26.99</b>

## pressure treated trade lap panel

The highest quality example of traditional overlap fencing.

<b>KCFT56</b>	152 x 183cm	<b>£29.99</b>
<b>KCFT66</b>	183 x 183cm	<b>£35.99</b>

## pressure treated superlap panel

This super strong lap panel has an extra upright in its construction on both sides to give it additional stability. As it's manufactured from pressure treated timber a gravel board is no longer required.

<b>TPSUPER63PTR</b>	91 x 183cm	<b>£28.99</b>
<b>TPSUPER64PTR</b>	122 x 183cm	<b>£31.99</b>
<b>TPSUPER65PTR</b>	152 x 183cm	<b>£35.99</b>
<b>TPSUPER66PTR</b>	183 x 183cm	<b>£39.99</b>

## featheredge panel

A great value fence panel.

<b>FF36</b>	91 x 183cm	<b>£32.99</b>
<b>FF46</b>	122 x 183cm	<b>£36.99</b>
<b>FF56</b>	152 x 183cm	<b>£42.99</b>
<b>FF66</b>	183 x 183cm	<b>£49.99</b>

## pressure treated featheredge panel

Our popular Forest Featheredge panel now comes in a pressure treated format, removing the need for a gravel board. With hefty 50 x 30mm framing all the way around and two additional horizontal battens across the back plus a 50mm shaped capping strip across the top, this is the king of featheredge fence panels.

<b>HDFE66PTR</b>	183 x 183cm	<b>£52.99</b>
------------------	-------------	---------------

## diamond lattice fence topper

A decorative diamond trellis designed to fit onto the top of fence panels.

<b>DDL16</b>	30 x 183cm	<b>£13.99</b>
--------------	------------	---------------

## convex trellis fence topper

A decorative convex trellis designed to fit onto the top of fence panels.

<b>FTVT615</b>	46 x 183cm	<b>£12.99</b>
----------------	------------	---------------

## featheredge contractor panels

This pressure treated featheredge panel is ideal for use with concrete posts on larger contracting projects. Available in either a square or dome top, it is manufactured from FSC certified pressure treated timber, 125 x 22mm featheredge boards, 3 x 75 x 25mm horizontal battens on the reverse. The square topped option has a 44mm capping.

### dome top

<b>CDFE66PTR</b>	183 x 183cm	<b>£39.99</b>
------------------	-------------	---------------

### square top

<b>CFE66PTR</b>	183 x 183cm	<b>£36.99</b>
-----------------	-------------	---------------

## solway panel

A premium pressure treated fence panel to add to our ever popular range. Available in 6' and 4' heights.

<b>SOL66</b>	183 x 183cm	<b>£54.99</b>
--------------	-------------	---------------

## closeboard panel

This heavy duty close boarded fence is one of Forest's strongest – for those who put security at the top of their list.

<b>FB36</b>	91 x 183cm	<b>£35.99</b>
<b>FB46</b>	122 x 183cm	<b>£42.99</b>
<b>FB56</b>	152 x 183cm	<b>£45.99</b>
<b>FB66</b>	183 x 183cm	<b>£47.99</b>

## closeboard wave panel

A waved alternative to the popular board panel, offering a secure decorative backdrop to any garden.

**FBW66** 183 x 183cm **£59.99** ▲

## pressure treated board lattice

A sturdy board panel with a lattice top for a decorative finish.

<b>KFBL65</b>	152 x 183cm	<b>£57.99</b>
<b>KFBL66</b>	183 x 183cm	<b>£59.99</b>

## willow hurdle

This woven panel offers a natural rustic appearance.

**WSP6** 180 x 180cm **£76.99**

## framed willow screen

This willow screen is clamped within a sawn timber frame for strength.

**FWSP6** 183 x 183cm **£59.99**

## europa plain screen

A plain fence panel to complement any garden.

**EGFP** 180 x 180cm **£59.99** ■

## europa domed screen

Stunning curved lines. Manufactured from pressure treated smooth planed timber. Available in two heights.

**TPDUSTVEXS18** 180 x 180cm **£65.99** ■

**TPDUSTVEXS11** 110 x 180cm **£52.99** ■

## bradville screen

Stunning curved lines and a chevron design. Manufactured from pressure treated smooth planed timber.

**TPBRADS18** 180 x 180cm **£69.99** ■
