Howarth Timber & Building Supplies - delivering on PfH procurement efficiency targets

PfH scheme members are now welcome to use the comprehensive facilities on offer from Howarth Timber & Building Supplies' nationwide merchant branches.

The Howarth Timber Group is the UK's largest privately owned timber company with timber being at the heart of our business for over 165 years.

Over the years the company has grown and expanded to employ over 1,000 skilled staff across 28 nationwide merchant branches, as well as dedicated windows & doors and timber engineering divisions. With clear local focus through our merchant branches we provide a strong economic and social ethic, paying over £1,000.000* in rates to local communities every year.

Committed to the environment

For many years Howarth Timber & Building Supplies has been committed to worldwide environmental policies and was a founder member of the Forests Forever Campaign

encouraging the use of sustainable resources.

Highlighting our dedication to the environment, Howarth Timber & Building Supplies has achieved Chain of Custody certification covering all of the company's divisions. The business complies with government specifications for timber from legal and well-managed sources as well as meeting the requirements of the construction industry's independent third party audit organisations.

Innovative procedures and services, including electronic billing and processing all help keep our carbon footprint as low as possible.

A nationwide service

Each of our 28 merchant branches offers materials and products at current negotiated

PfH national rates allowing for straightforward procurement on a national level.

Simple

With the PfH account card and a single monthly direct debit payment, all your material and product requirements can be met quickly and easily at any of our 28 nationwide branches. Removing complex rebate structures, product manufacturers deal only with PfH and the merchants ensuring you receive the full value of the rebate in your net price.

Value

A comprehensive range of product lines is available from Howarth Timber & Building Supplies, all price checked by PfH to guarantee they are highly competitive.

Efficiency

The PfH account card removes the need to process large numbers of low value transactions generated by DLO's and contractors, providing a seamless integration between planned and responsive purchasing.

Cost control

PfH account card users benefit from valuable cost management information, as well as highly efficient transaction processing. Transactions can be linked to job numbers for security, job costing and internal auditing.

OJEU tender compliant.

RSLs (Registered Social Landlords) must abide by EU public procurement laws and carry out EU compliant tenders where the value of the contract reaches a specified threshold. The EU compliant tendering process can be time consuming and expensive. However, PfH Members can avoid the process and the unnecessary cost, simply by using PfH agreements.

Dedicated to you.

Howarth Timber & Building Supplies and PfH are committed to helping you achieve...

- Long term savings
- EU compliance for tendering
- Best value for money
- Access to great deals
- Help in improving time management and efficiency
- Convenience of supply through a single source
- Local and global environmental responsibilities
