*This certificate is only valid for sale of FSC products when accompanied by a current product schedule. Validity of this certificate shall also be verified by checking the FSC database: info.fsc.org or by contacting Soil Association Certification: forestry@soilassociation.org This Certificate is the property of Soil Association Certification Ltd and all copies or reproductions of the certificate shall be destroyed or returned to the Soil Association Certification Ltd immediately, on request.

A description of the products, sites or services that are included in the scope of the certificate may be obtained from Soil Association Certification on request.

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is FSC certified (or FSC controlled wood). Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required FSC claim is clearly stated on invoices and shipping documents.

FSC® Product Schedule

This schedule details the products which are included in the scope of the Company's certification. It shall accompany the FSC certificate. If the product scope changes a new schedule will be issued. Certificate scope including products and certified sites may also be checked on the FSC database <http://info.fsc.org/>
