## Trex LIGHTING COLLECTION

### Lighting the way

Elevate your deck with Trex® Outdoor Lighting™. Combining effective ambient lighting with energy-efficient technology.

#### RECESSED DECK LIGHT

These subtle dot lights install flush on the deck boards to efficiently light the way.

#### STAIR RISER LIGHT

Installed into step risers, these lights are durable enough to handle years of passing foot traffic.

#### POST CAP LIGHT

Tucked discreetly under the cap, post cap lights provide a warm downward glow and easy wayfinding.

## Trex Transcend®

The superior Transcend range provides the highest level of performance. The original and bestselling range features the heaviest grade Trex shell.

**PTG-V GREEN  
TREATED**  
19x125mm

**don't forget...**  
protect the end

## WESTERN RED CEDAR CLADDING

Make your garden structure stand out with our premium Cedar cladding. Available from all branches.

**don't forget...**

A2 class S/Steel (51 – 80mm)  
Paslode fixings available.

Only use stainless steel fixings on timber species with high tannin or corrosive oil content. Reaction to iron can cause permanent black spotting and corrosion staining
