Polypipe
Underfloor Heating

Let us handle your heating...

New build, renovation or home extension? We can help you find the right underfloor heating system for your next project.

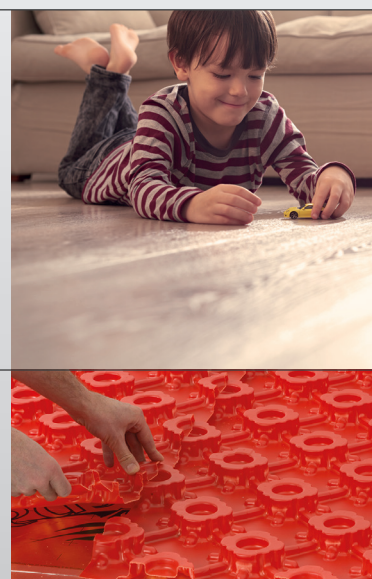

We have products to heat any room with any floor type, and a range of quality materials which combine to make the perfect heating solution.

WHAT YOU CAN EXPECT

- ✓ Comprehensive product range
- ✓ Solutions for every project
- ✓ Quick and easy installation
- ✓ Design service
- ✓ Next day site & home delivery
- ✓ Knowledgeable staff that can help plan and support your project
- ✓ Get all supporting elements including flooring and underlay

WHAT YOUR CUSTOMERS CAN EXPECT

- ✓ Controls for every room adding comfort and cutting costs
- ✓ No hotspots or cold draughts that commonly come with radiators
- ✓ Reduces airborne dust, providing relief for allergy sufferers
- ✓ No on-wall radiators means more space
- ✓ Less energy consumption - reducing costs
- ✓ Virtually maintenance-free
