## JOISTS & TIMBER PROTECTION

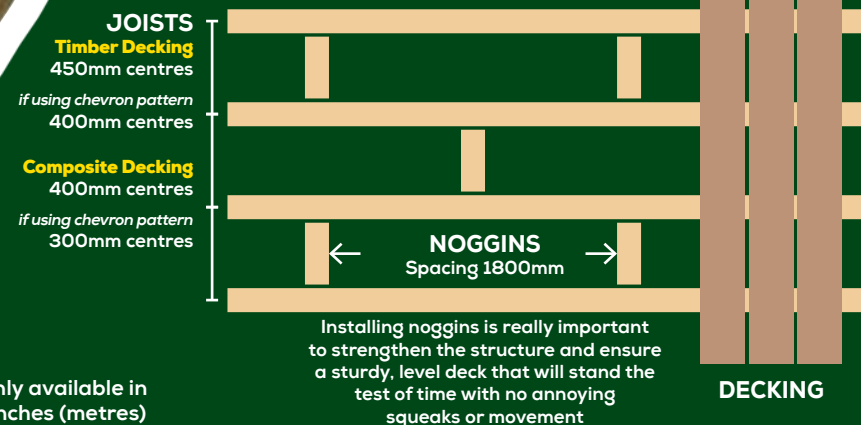

# Structural Graded Treated Decking Joists

C16 or C24

### Build your deck to last...

The structure that you build to lay your deck on is vitally important to its longevity. Getting the basics right will mean it is strong and stable for years to come.

Installing noggins is really important to strengthen the structure and ensure a sturdy, level deck that will stand the test of time with no annoying squeaks or movement

Size	Lengths stocked in all Howarth branches (metres)	Lengths only available in select branches (metres)
47x100mm Fin Size 44x95mm	3m, 3.6m, 4.2m, 4.8m	5.4m, 6m
47x125mm Fin Size 44x120mm		
47x150mm Fin Size 44x145mm		

3m, 3.6m, 4.2m, 4.8m

5.4m, 6m

## Acrylic Deck Tape

Increase the life expectancy of your deck

 DEC00001834

Available sizes: in 100,150,200,250 & 300mm

*don't forget...*

## STAINING YOUR DECK...

Decking stain is best applied in temperatures above 10°C. Pick a day with a clear forecast and make sure your deck is thoroughly dry before you begin.

- Give the stain a good stir
- Double check you're happy with the colour
- Start in the furthest corner, brushing along the length of the boards
- Work on 3-4 boards at a time so you don't get any overlap marks
- You'll need to put on 2 coats.
- Leave 4 hours between each coat
- After 24 hours you'll be able to get your furniture out and use the deck

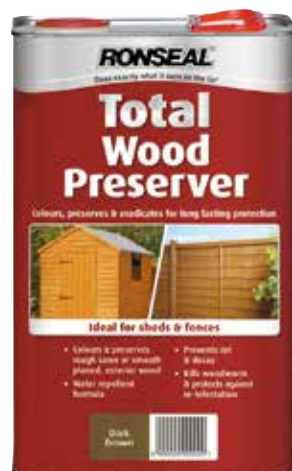

Enhance the life of your timber structures by using the right preservatives...

LIVE FOR THE OUTDOORS

ORDER ONLINE 24/7  
[howarth-timber.co.uk](https://www.howarth-timber.co.uk)

**Issue 1.** All prices Subject to confirmation and a guide due to market volatility. We reserve the right to amend without notice. All offers are subject to availability and are current at the time of going to press. Prices shown in this leaflet are plus VAT. Prices will revert to normal at the end of the promotional period. Normal list prices for all products featured are available upon request. Prices shown are for goods collected ex-works. Delivery by arrangement. Timber is a natural product and therefore colours may vary. All dimensions given are nominal. Pre-agreed special pricing contracts are excluded from these offers. Offers may differ between branches. Images are for illustrative purposes only, actual products may differ from those shown, please check before ordering. All colours are reproduced as accurately as the print process will allow.

### Built to Last

Stainless steel cabinets are built to withstand even the harshest of outdoor elements – and with a powder coat finish minimal maintenance is required.
